Sir,

In continuation to this Department's letter of even number dated 6.8.02 and with reference to your representation dated 29.9.02 and in deference of High Court of Andhra Pradesh at Hyderabad direction dated 10.10.02 in W.P. No. 24227, I am directed to say that the matter has been reconsidered afresh in the Department and it has been decided with the approval of the competent authority that since the deficiencies pointed out in the inspection report of Medical Council of India are not substantial in nature to affect the functioning of the college in an adverse manner, the college (P.E.S. Institute of Medical Sciences) at Kuppam by your Society be permitted for 150 admissions annually instead of 100 admissions permitted in our letter reference to above. However, the deficiencies pointed out in the inspection report of Medical Council of India should be rectified on time bound basis and compliance to this effect be sent to this department within three months from the date of issue of this letter. A copy of Medical Council of India inspection report is enclosed. For 150 admissions Bank Guarantee of Rs. 9.50 crores is required. However, you have submitted the Bank Guarantee for 7.00 crores only. As such, Bank Guarantee for the balance amount be furnished forthwith.

The other terms & conditions of this Department's letter dated 6.8.02 referred to above remain unchanged.

Kindly acknowledge receipt of this letter.

Yours faithfully,
